Please Note: Financial Responsibility (Insurance) Restoration Fee Payment Transactions made after 9.00 PM EST will NOT be updated immediately. You must wait 12 hours for payment to be processed and to review an updated restoration requirements letter.

If your [restoration requirements letter](#) is NO LONGER AVAILABLE to view/print, your vehicle registration has been restored and you will receive confirmation in the mail within seven to ten business days. To access your restoration requirements letter logout and log back into Online Vehicle Registration Restoration Letter and choose the "Request Your Vehicle Registration Restoration Requirements Letter" radio button.

Please see below for additional information:

- If you surrendered your registration plate and card to PennDOT to serve a suspension and your registration has not expired; a new registration plate and card will be mailed to you within seven to ten business days.
Note: Unless the plate is a Vanity, Classic, Antique, Collectable, new D.A.R.E or Organizational plate; the plate returned will have a different configuration than what you previously owned.
- If the registration plate and card that you surrendered to serve the suspension is expired; you will be required to apply for a new registration using form [MV-140](#). This form can be obtained from our website and taken to an on-line messenger to be processed for a fee. A registration fee will be required.
- If you have not surrendered your license plate to PennDOT to serve a suspension and the registration has expired, you may apply to renew your registration on our website.

Please remember you cannot operate a motor vehicle without a valid vehicle registration and vehicle insurance in your possession.

If your restoration requirements letter can be viewed and printed, your vehicle registration has not been restored. Please review your [restoration requirements letter](#) to determine the additional requirements to complete in order to restore your vehicle registration.
